

# CERF EYE CLINIC

With

Alan Bachrach Jr., DVM

Associate, Veterinary Ophthalmologists of New England

Sunday, October 28, 2007

Good Dog Training Center

30 Kraft Avenue

Albany NY 12205

Hosted by Working Australian Shepherd Club of Upstate New York

*Note: CERF registration requires that the dog have a permanent identification in the form of a micro-chip or tattoo. If your dog does not have a permanent ID, Home Again micro-chips will be available for purchase and insertion prior to the eye exam.*

CERF eye exam \$32.00  
Home Again Micro-chip \$32.00

Please call Linda Braun at 518-312-2720 or e-mail her at [birkiegirl@msn.com](mailto:birkiegirl@msn.com) to schedule an appointment.

To keep to our schedule as much as possible, no additions on exam day can be allowed. Your dog may not be taken earlier than your scheduled appointment. The schedule is created by Dr. Bachrach and allows for time for placing eye drops, and double exams for breeds which need an exam prior to placing eye drops.

*For official CERF certificate, your dog MUST have either a tattoo or micro-chip number.* Please remember to bring your dog's AKC or other registry number.

Dr. Bachrach will have a non-CERF exam report form available if you do not wish an official CERF report; however the cost of the exam is the same.

Directions: From I-90 take exit 5/Everett Rd., turn south toward Central Ave., go to traffic light, turn right onto Central Ave. heading west towards Schenectady. Go 1.3 miles under two RR overpasses, look for Sunset Bowling Lanes on left, then Lee's Market (small green sign on left), turn left onto Kraft Ave. Go 1 block, Good Dog Training Center is directly in front of you.
