Rule Change Highlights

- 8.3.2 Bypassing First and Last Obstacles - If the dog crosses the start line but bypasses the first obstacle, time will begin. If the dog never completes the last obstacle, he shall receive a 20 point fault (for failure to compete) and receive an NT (no time) as his course time. For all classes, if the dog bypasses the last obstacle, but the handler calls him back to complete it, then it shall only be considered a waste of time and no faults shall be incurred.

Volunteer Sign-Up (...We Really Need Your Support)

As at every event, no club can pull off a trial without the help and support of our exhibitors to keep the agility trial running smoothly and efficiently. **We will not be able to do this without your involvement.** Working in and around the ring is a great way to increase your knowledge and understanding of the sport. If you have a guest or significant other who would be willing to work at the trial, we'd be thrilled! A list of jobs and their associated description is on the back of this page.

We appreciate your help and will do what we can for your comfort, including the volunteers' refreshment area for trial workers and helpers.

Please fill out this form and send it in with your entry. This will help us schedule you in an appropriate job without class conflicts. We'll let you know in which classes you're working when you arrive at the trial.

Thank you for volunteering and making this a better show for everyone. We couldn't do it without you!
