

The Australian Shepherd Club of New England
invites you to attend our

Stock Dog Trialing Strategies Clinic with Jim Hartnagle

April 30 & May 1, 2011
Riverfare Farm 301 Tyler Rd Webster, NH

The clinic weekend will revolve around handling the various obstacles and dilemmas encountered during stock dog trials. A variety of ASCA obstacles will be utilized during the morning sessions and a course will be set up for the afternoon sessions. Participants will determine which courses are used. Runs will be scored and timed to assimilate an actual trial, but Jim will coach and help work thru problem areas.

Trialers of all levels are welcomed to participate to help calm the "Trial Nerves" and to develop good habits for a successful trialing season.

There will be 12 working teams participating each day. You may sign up for one or two days on livestock of your preference; cattle, sheep, ducks, or goats.

Weather permitting; the outdoor arena will be used both days
