## **President's Note**

What a wonderful turnout we had for the July meeting ...for years we have been trying to figure out a way to boost attendance and it seems that having a health clinic in conjunction with a meeting is a winner! I am so pleased that so many folks are screening their Aussies for genetic diseases and taking advantage of the fact that we can offer these tests at a subsidized fee. This year we introduced chiropractic care thanks to Cheryl Tarateta from RI who came to adjust our active Aussies. Thanks to all who ran the clinic; the original concept was Sheila Dolan's brainchild. She coordinated the CERF clinic with Dr. Aubin. Cindy and Bill King ran the DNA section, Jean Janotta does an outstanding job with the cataract testing (not an easy task considering the kits come from and have to go back to England) Gull Gullicksen is the MDR go to person. Robin Goodman and Paula Andrus do the spreadsheets and coordinate all the behind the scenes action. Great job done by all and a very successful venture.

The meeting went smoothly as well...the new schedule is by now up on the website so mark your calendars for next years events.

By September, we have to appoint a nominating committee in order to get a slate of officers together for the next ASCNE election. I know everyone dreads getting the call to serve...but it is a very important job to decide and ask people if they are interested in serving on the board. Speaking of which....I truly appreciate all those who have served the past couple of years and hope that we can count on you for a couple more!  
Susan

Committees- The Legislative and History committees need members.

Changes to Tracking guidelines: judges books, sanctioning, show committees, ribbons & prizes, eligibility, titles from other registries, inclusion of the TDU maps no in the maps/charts section.

Changes to Agility guidelines: discussion about the tire jumps and allowing judges to reuse previous courses as long as certain provisions are adhered to.

Constant contact and Survey Monkey: Purchased a 1 year membership with both companies in an attempt to survey those members who opted not to renew their membership in 2008. The hope is the ASCA Board will find a common thread amongst these non -renewals and make the necessary changes to retain more members in the future.
