A Note from the President

The show and trial season is in full swing.....many thanks to all the organizers of the upcoming events this spring and summer. Peter even tells me that the Harvest Moon premium is completed and going to press soon. It requires a lot of behind the scenes angst and hand wringing to pull these events off and I applaud and appreciate every effort. Let your show chairman/r/trial secretary/course director know that you are enjoying yourself and thank them. It makes all the difference.

Once again I will remind everyone about the health fair clinic, Sunday July 12th in conjunction with our summer planning meeting. The girls are busy at work on the flyer and the club discounts are going to be available this year as well. The meeting is of equal importance, besides the pizza.....it is our schedule planning meeting...those of you who would like to put on an event...please let us know (or better yet...come to the meeting!) We also will be voting for the ASCA Board of Directors, which our very own Tenley Dexter is running for this year. Hope to see you all there. Susan Winters

Late Breaking Brag

From Lizette Durrschmidt: At ASCNE's Spring Stockdog Trial, Race, Copperhill's Need for Speed earned his second advanced cattle leg to finish his WTCH before his second birthday. Thanks Matt for another great trial

Dear Jean,

You have made a powerful expression by donating \$1950 to the NH Food Bank. This thoughtful gift will help us feed over 70,000 individuals through our 385 registered agencies. Donations such as yours helped the Food Bank distribute over 5 million pounds of food in 2008.

Thank you again,
Anne

3/26/09

Dear friends at the Australian Shepherd Club:

3/23/2009

You challenged your club members to support the New Hampshire Food Bank, and your food drive really rose to the challenge! With the help of your friends, you donated 65 lbs of food, enough for 51 meals for men, women + children in need. I can't thank you enough for helping all of those NH families during these difficult times.

Warmly,
Enn

2009 ASCA® Farm Trial Instructions
Time allowed: 18 minutes (3 minute warning)

Open handlers are allowed to go ½ way between stock and dog on gathers throughout the course.

Advanced handlers movement is restricted where noted in description.

In the case of a tie, the gather score on score sheet will be the tie break element.

- 1) 5 new breeding ewes have just arrived on the farm. Unload them out of the trailer into field I. Have your dog hold them to you while you close the trailer door and then put them in Pen C.
- 2) There are 8 ewes in field II, gather them out of the field and put them into the chute pen to be sorted. Open handlers may go ½ way, Adv handlers must stay at gate when gathering the sheep out of the field II.
- 3) The 5 new ewes need to be moved from pen C so they are kept apart from the sheep to be sorted. Move them from pen C to pen B.
- 4) Of the 8 sheep in the sorting chute pen, 5 older ewes are going to market but 3 collared younger ewes will be staying on the farm to be rebred, so have the dog bring them through the chute and sort off the 3 collared younger ewes into the vacant pen C. The 5 older ewes will be sorted off into field I so they can be loaded into the trailer.
- 5) Call your dog off and leave the 5 older ewes in field I (they will stay by the draw of the 3 younger ewes in pen C) and go open the trailer door. Send your dog to fetch the 5 older ewes. Open handlers may leave the trailer door and go half way (will be marked) before sending their dog. Advanced handlers must stay at the trailer door and send dog from there.
- 6) Put 5 sheep in the trailer and close door.
- 7) Put the 3 younger ewes that are in pen C in with the new arrivals in pen B.
- 8) Woops!!!! Shouldn't have mixed the new sheep with the current flock so gate sort out the 5 new arrivals by gate sorting between field II and pen B. Leave the 3 young collared ewes in field II and exhaust 5 new sheep into field III.
- 9) Go to pen D and get rest of flock (5 head) and put in field II with 3 collared younger ewes.
- 10) It would be dangerous to leave those collars on the ewes so have your dog bring the flock to pen C and hold them to you while you take the 3 collars off the younger ewes. You may use your crook to help you catch up sheep in order to take their collars off.
- 11) Move flock (8 sheep) back to field II to graze and call your dog off. A good day's work!

WHISKER WALK

What is the Whisker Walk, you ask? Well it's a lot of things; but mostly it's a fun day for families and their dogs PLUS a dog walk-a-thon fundraiser to benefit animal shelters and rescue groups throughout New England.

The Aussie Rescue & Placement Helpline (ARPH) will be represented at the Whisker Walk (www.whiskerwalk.org) on Sunday, June 7th, from 11am to 3pm at the Lancaster Fairgrounds, home of the Bolton Fair. The Fairgrounds are located on 53 acres of woods and fields along the Nashua River on the Lancaster/Bolton line, 4 miles west of exit 27 of I-495 on Route 117 in Central Massachusetts.

We're setting up a booth to increase awareness of our organization and also try to raise money to help with expenses for aussie rescue. There's something for everyone at our booth, including a very nice raffle basket, dog tugs, crate pads and tons of other things. Finally, we're hoping to get sponsors for the walk itself as everything we collect will go directly to ARPH.

If you're looking for something to do on the 7th, take a ride, (directions on their website) stop by our booth, shop the vendors and visit all the other rescue booths that will be there. There will also be frisbee demos, agility try-its, and a flyball demo. If you can't make it but would like to sponsor us for the walk, you can contact me at e.andrus@comcast.net or Pat Gipps, ARPH General Volunteer, at rpgipps@comcast.net. We will be happy to send you additional information along with a pledge sheet. I'll also have information available at the ASCNE trial being held at the Hopkinton Fairgrounds in NH on May 23rd and 24th.

Registration & Tracking

All Australian Shepherds over the age of 6 months must be registered. Effective January 1, 2004: All dogs six (6) months and older must have an individual ASCA registration or LEP number or and ASCA tracking number to compete in ASCA sanctioned Obedience Trials. A dog will be allowed to be shown at the trial where the handler applies for an ASCA tracking number. The handler will be issued a receipt by the Registration table valid for sixty (60) days to allow the Business Office time to issue the tracking number. Photo copies or originals of registration or tracking number papers must be presented to the Registration Table upon request when entering ASCA sanctioned Obedience Trials. Please visit www.asca.org for information and forms.

Australian Shepherd Club of New England

presents a

Canine Health Clinic

July 12 at 2:30 p.m. at Silver City Canine Training Center, Taunton, MA

For all of the clinics, we are requiring that you register and pay in advance. We will acknowledge receipt of your payment via e-mail. ASCNE members will receive a 20% discount on the CERF, DNA, and MDR1 tests for a maximum of two dogs per year. To be eligible, the dogs must be owned by an ASCNE member and the tests must be performed at the Health Clinic. (You may have more than two dogs tested, but the discounts will apply to only two.) These genetic screening tests are open to Australian Shepherds only. We will verify prepayments before samples are collected. It is **mandatory** that you have with you:

Your Dog

The dog's registered name

The dog's registration number

The dog's microchip or tattoo

Cataract Screening

Every breeding dog should be tested unless it is out of two parents that have tested clear for the HSF4 mutation. Contact Jean Janotta at jjanotta@myfairpoint.net or call (603) 895-5436 for more information. We will provide the swabs. You must fill out and print this [form](#) in advance. We need 20 dogs to get a discount rate of \$74.57 per dog; otherwise we will notify you of the increase in the rate to \$93.22 per dog. If fewer than 20 dogs are tested, the fee for ASCNE members will be \$74.57; ASCNE will absorb the difference and will pay for shipping costs.

Eye Clinic

Dr. Lisa Aubin from Ocean State will perform the eye exam. The fee is \$26 per dog (\$20.80 with ASCNE discount). For more information contact Paula Andrus at e.andrus@comcast.net or call (508) 238-5631.

DNA Blood Draw

ASCA requires all dogs who are bred three times have their DNA on record. Please bring a copy of your ASCA registration to submit with the DNA sample. Submissions to the ASCA gene bank can be made with blood tube only. For more information contact Cindy King at cking1299@cs.com or call 860-546-6367. The Blood Tube and the Blood Card fees are both are \$40.00 (\$32 with ASCNE discount); the Cheek Swab, available this year, is \$45.00 (or \$36 for ASCNE members).

MDR-1 Testing

MDR1 is the abbreviated name of a gene called Multi-Drug Resistant. A mutation of this gene causes sensitivity to Ivermectin and a number of other drugs. All Aussies, even dogs of unknown parentage, should be screened for this mutation. These drug reactions CAN KILL. Exception: Dogs with both parents screened Normal/Normal. The group rate for this test (over 5 dogs) is \$60.00 (\$48.00 with ASCNE discount); if we have fewer than 5 dogs, the fee is \$70 (\$56 with ASCNE discount). For more information, contact Gull Gullicksen at gullr210@juno.com or call (508) 947-5606.
