## **President's Note**

Hi Everyone

It was great to see so many of you at the ROM Banquet. The ROM ribbons were beautiful, the weather cooperated, and the food was excellent. Thanks to all who contributed in some way to make it happen: Lecia Whitlock our hostess, Mary Ann and Joe Stoddart who supported Lecia in her first foray into hosting the event and did the Breed and Obedience ROM, Tenley Dexter for the Stock ROM, Sue Schroeder for the Agility ROM, Susan Winters for the beautiful ribbons, and everyone who brought pictures for the board.

The banquet was the perfect opportunity to be in the company of friends to help us thru a difficult time. I always find it difficult to go to the first event after I've lost a friend. I don't want to go because it will never be the same and it will bring up the hurt all over again. Well, both of those things are true, but it also turns out to be the best thing I can do as it helps so much with the healing process – it allows me to talk about that friend with others who feel as I do and those hugs of support are amazing. Brenda Dean was a long time and Honorary Member of ASCNE, had been President and an officer/director for many years, she was open, honest, direct, and caring, she supported the breed from a health/research perspective and a rescue perspective. I will miss her.

Kathie Chouinard is organizing a memorial service for Brenda at the Silver City Training Center on Sunday, April 18. Please contact either Kathie or Dottie Duclos if you plan on attending.

Take care,  
Jean

#### Affiliate Report-Carol Landry

The ASCA Board of Directors has voted to place motions coming from the committees onto ASCA-L. Well thought out, helpful comments from the general membership are welcome. I urge the membership to watch ASCA-L for motions that are of interest to them.

In the interest of saving time, and not boring everyone with details of things that are of specific interest, I respectfully suggest that anyone looking for more in depth coverage read the committee reports published in the Jan/Feb Aussie Times, starting on page 25.

- Agility-The eligibility requirement for the Agility Finals will change as of 6/1/2010. The changes include an increase in the number of qualifiers and that ATCH dogs will no longer be automatically invited unless they have met the minimum points required to be eligible.
- Conformation-It was moved and unanimously passed to add a declaration to the ASCA Breeder Judges Test saying that the judge took the test him/her self without assistance.  
Chapter 13 having to do with submission of show's records to ASCA has had some additions and corrections made to it.

- DNA-Reminder that effective January 2010 all sires and dams who have produced one (or more) litters must be DNA profiled by ASCA approved lab before subsequent litters will be registered.
- Education-The committee published an agility ad in the Clean Run magazine and they are hoping to do other ads for Obedience and other programs to attract people who trial/show in other venues. They would appreciate input from all ASCA programs to help them with education and promotion of the breed.
- Hall of Fame-They are reworking the requirements of HOFX sires and dams.
- Health and Genetics-They have established a new connection with the Morris Animal Foundation which they hope may help ASCA regarding inherited diseases and genetic defects.
- Juniors-They are trying to fill the committee and working on improving the Juniors programs.
- Legislative-They have been trying to keep the membership informed of proposed anti-dog legislation and have created a bulletin board at [www.winslowaussies.com](http://www.winslowaussies.com) to the effect.
- MVA-They are discussing adding Rally to MVA once it is up and running.
- Nationals-They are working on the first draft of the National Specialty How To manual and expect to have a complete version by the end of the year.
- Obedience-Some changes in the past year include removal of the 2 dog minimum rule for Novice stays, addition of Open and Utility Veterans class which allows them to jump 4 inches less than normal, allowing the show secretary to show their dog, and an alternative method for performing the Broad Jump.
- Rally-Estimated start date of the program is this spring and sanctioning will be a 60 day process.
- Stock dog-Three new courses have been proposed and may be in use later this year. Diagrams will be made available on the ASCA website.
- Strategic Planning-They are developing a Business and Strategic plan for ASCA to provide goals and lead the organization in to the future.
- Tracking-In an effort to grow the program, they have introduced a new test-the Tracking Dog Urban.

**Susan Winters**

Kaylene Scotton, junior member of ASCNE, achieved a milestone in the ASCA junior handling program....end of the year 2009, she had earned enough points to join ASCA's elite 500 Club! With her dog A-Ch. Briarcliff Classic Jewel CD JJ-N...and limited traveling but with lots of determination managed to achieve a goal almost unheard of on the east coast. She received a lovely jacket from ASCA with her and Stryker's names embroidered in hot pink

**Nancy Gagnon**

The people who publish the Australian Shepherd Annual asked me to write an article regarding my kennel and submit pictures of my dogs for the 2009 Annual. They published the piece under Breeder Spotlight, Buff Cap Aussies!
