President's Note

Hi Everyone

Looks like 2013 is going to be another year packed with lots of fun activities!! You can check out the 2013 Proposed Calendar in the newsletter.

So how many of you have great training sessions at home or at class, have total confidence in your dog's ability to do the task, feel confident you'll be able to hold up your end, and then get to a trial and totally, absolutely, horribly CHOKE!!!! Poor Keeper experienced this (not the first time for the poor fellow I'm ashamed to say) in August at the Stock Dog Trial in Webster, NH. All the cows were working great – they'd run if pushed but would settle right back down. They would pen very nicely. They weren't challenging the dogs. In we go for our first run on Saturday. My stomach was tied in knots. Why on earth should I be freaking out? This was all stuff we could do and had done. Isn't it amazing what an 'audience' can do or thoughts about whether you'll qualify or get that title!!!! I definitely didn't hold up my end and wasn't happy that I hadn't helped my partner out at all. Somehow between that disaster and our second run I managed to get my head back into a training mode. I didn't care whether we qualified or not, I just wanted good communication between us and quiet stock. If we got cows to go thru panels, that would be great and if they didn't that would be fine too. We had a great run – we were there for each other and I was totally elated leaving the ring. We missed qualifying by one point because I crossed the handler line – I could have cared less. Our runs on Sunday went the same – I was able to keep my vision of just being in the training field and working thru things as they came along and Keeper did his best. We've all said it before and we will all say it again – all this 'stuff' we do should be about our relationship with our dogs and not about the ribbons, the trophies, or the titles. They don't care and neither should we. Hug those dogs of yours and keep the vision of your training site in your head when you walk in the ring and the rest will come.

Take care, Jean

BRAGS

WTCH Rockin' C Pick Up Man (Dually) finished his WTCH at the Maine Moose Mania trial in July. Diane Menard

- ROM ribbons-Stock ribbons were not at the ROM banquet. Susan Winters redid the order and they were received with the wrong wording. Susan will reorder again and check with they come in. Question: Should Susan send an email to Ribbon Winners in Stock and ask if they *really* want their ribbon and then re-order them?

Affiliate Report-Anne M. St. Pierre

This report is a summary of the motions/changes from the governing board of the Australian Shepherd Club of America. For the unabridged notes on current or past motions, you can review the text, in depth, at the website www.asca.org, under ASCA News.

- General –No new motions to report.
- Agility- No new motions to report
- Rally- No new motions to report.
- Conformation-A motion has been accepted to approve the following breeder judge applications/move ups:
Non Regular Breeder Judge
Kelly Sweeney 195 West St. Goshen, CT 06756
Keli Gaunt 148 Turnbull Rd. New Hartford, CT 06057
- Obedience-A motion to update to Section 4 for Open competition

Purpose Of Motion: To retain the CDX for those who desired no Change be done to group exercises. To offer ODX to those who desired that alternate exercises be offered in lieu of group exercises.

The Open section as rewritten and proposed should encourage many more exhibitors to take up the discipline of obedience, give opportunity for move---up to utility to those who didn't move up from novice to open due to The out---of---sight sit/down stay requirements in group exercises, all while retaining a high quality of difficulty plus setting a high standard. Merits are included for veteran dogs who have never been awarded the title of CDX (veterans will not be allowed to qualify for finals). The motion will be effective: 6/1/2013-

- Miscellaneous- Motions have been approved for the following changes:

6.8 Merit Program and Program Finals Listings-The end of the show year top twenty (20) winners in all classes of all Merit Programs will be listed in the Sep/Oct issue of the AUSSIE TIMES. The standings will be available and updated monthly on the website. The end of show year program Finals standings will be published in the Aussie Times in the same manner as the Merit standings. Effective: 10/29/95 Revised: 07--
-12

- Comment: At present, the office is updating the Merit and Finals listings monthly. Members can continue to go to the website for their up---to---date status of Merit And Finals standings. Effective with the September/October Aussie Times.
- ASCA Membership with Electronic Aussie Times
A motion has been approved for the creation of a Full ASCA membership with
An electronic subscription to the Aussie Times placed in the ASCA members section of the ASCA website rather than A paper (hard copy) version. This is in addition to the membership with the paper/hard copy of the Aussie Times. To go into effect for the Nov/Dec edition of the Aussie Times with a September 15 deadline. Full Single Membership \$40 (1 Adult) per year with electronic subscription to the Aussie Times. Full Dual Membership (2 Adults---same household) \$60 per year with electronic subscription to the Aussie Times. Lifetime Members \$30 per year with electronic subscription to Aussie Times. Juniors \$30 per year with electronic subscription to Aussie Times.
Reasoning: Members have asked for electronic copies of the Aussie Times rather than paper ones. Aussie Times content in an attempt to reduce the cost of producing the Aussie Times, the following information will be no longer listed in the Aussie Times, but will be made available on the ASCA website. -
--Interim Junior Showmanship Standings – Program Interim Merit Standings ---Program Title Certificates -
--Program Finals Standings-
- **Teaming with the Purina Parent Club Partnership Program (PPCP)** A motion has been made to approve an ASCA partnership with Purina on the Purina Parent Club Partnership Program, per CA Sharp's recommendation.
- C.A. Sharp is the President, Australian Shepherd Health & Genetics Institute, Inc. (ASHGI). This partnership will eventually assist with funding
- Lapsed Membership Individual or dual memberships that have lapsed may be renewed retroactively provided payment is received within **3 months** of the lapse date. Missed issues of the Aussie Times, if available, after renewal, will be sent as long as appropriate postage and handling fees are included.

Library Report-Gull Gullicksen

There are monies available in the library budget-any suggestions?

ASCA Board- Linda Gray

- ASCA is publishing a yearbook with talking to breeders going "way back when"-
- Purina Pro Club (send in \$100 worth of weight circles) Purina will match that amount and send it to whomever we decide it should go to for health research -(Purina decides who it goes to as pre designated)
- New Affiliate process-Real "set of bylaws" for clubs. New clubs are required to fill out a form and how many years officers have been in office-at least 6 new affiliates have arisen since last years' Nationals.

Sunshine Report-Karen Miller

Nothing to report

Event Updates:

Cattle Clinic went well -
Intro to Herding went well-
Hartnagle Clinic-Attendee numbers were not good
July Stock Trial - sheep are full-Farm trial Friday

2013 CALENDAR

- No Farm Trial in October @ Dianne Menards-Wasn't cost effective to fly in judges for a Farm Trial.
- Obedience/Rally -Sanctioning is in-Entries coming in per Kathy Buckley-she also needs to get prizes as her "stash" is all used up
- Discussion on Budgets for Awards formula. There was much discussion about budgets for awards. Judges mileage has been determined to go by the IRS mileage at 55 cents per mile. Keeping a commonsense budget for awards should be the goal for show chairs.

Australian Shepherd Club of New England **Breeder Directory List 2012**

As a member in good standing in ASCNE I hereby agree to the following provisions:

1. To plan each breeding with the intention of improving the Australian Shepherd Breed Selecting sire and dam for temperament, soundness, health and working ability.
2. Using only individuals who are free from serious hereditary or congenital defects. Screening breeding stock for hip dysplasia and ocular deformities.
3. Maintain the best possible standards of health for my animals through regular veterinary care and sanitary housing.
4. As a stud owner, I will refuse any mating which I do not consider in the best interest of the breed. I will screen the healthy, mature bitches sent to me, for hereditary defects and temperament faults.
5. As a bitch owner, I will properly space litters and protect bitches from unplanned matings. To produce puppies when I have the time and facilities to provide adequate attention to physical and emotional needs of the litter.
6. I will not sell or consign puppies to pet shops or commercial operators. I will not supply puppies for raffles or as prizes.
7. I will be discriminating in the sale of my puppies, keeping in mind the Australian Shepherd herding temperament and guardian instinct. I will provide buyers with information about the breed, pedigree, health records, application for registration, and spay/neuter contracts for pet quality puppies. I will monitor and enforce such contracts.
8. I agree to take back any of my dogs that are in need of a new home or to assist in placement of that dog.
9. Protect the interest of the Australian Shepherd Breed, conducting myself in a courteous and professional manner in all my dealings.
