President's Letter

Hi Everyone

In the July newsletter, I asked you to hug your dogs and keep the vision of your training site in your head when you walk in the ring and the rest will come.

This month I ask that you hug your two legged friends as well, be thankful that you have them in your lives, and tell them how important they are to you before it's too late. A friend of mine died suddenly and totally unexpectedly at the way too young age of 55 and I didn't take the opportunity to say those things to her when I could have.

Take care,

Jean

Brags

- Started Ducks Elyse Phillips and Chuckles
- Started Sheep Elyse Philips – Link
- Parker (Bayouland's Oh What A Night) and Manny Yvars earned their **ATCH**, and shortly afterwards their JS and GS-E-Outstanding Performance awards; and Manny learned to be patient.

No other motions accessible from the ASCA site at this time or in the past 45 days, except the following:
OBEDIENCE

A motion to discontinue the veterans classes was approved, and will take effect 6/1/2013. All veterans shall be allowed at the option of their handler to jump 4" lower than their regular jump height in the applicable division (A or B) of the open class of choice (ODX or CDX) and applicable division (A or B) of the utility class. All dogs entered in the open and utility classes shall be allowed to compete and qualify for placements, high combined, high in trial, merits and finals.

The Business Office shall be directed on 6/1/2013 to transfer any legs earned in veterans on 5/31/2013 and earlier to the applicable class division of A (does not have the title earned yet) or B (has earned the title).

ASCA's regular obedience titles will be: CD, ODX, CDX, UD, and UDX. The rulebook areas dealing with veterans will be brought current by the Committee timely so that the 6/1/2013 rulebook is consistent. The ASCA Obedience Committee presently has open and utility drafts in progress.

RATIONALE: As reported by the Business Office: "We only have 6 dogs that have legs for CDX-V that do not have a CDX title. We only have 4 dogs that have legs for UD-V that do not have a UD title." Feedback to the Committee is that there has been a lack of interest and support in the veterans' classes as they are now in the rulebook. Further, putting veterans back into the A/B classes of open and utility will save money.

- **Library Report – Gull Gullicksen**
 - Gull is requesting suggestions for new items
- **Sunshine Report**
 - Jess & Scott Davis on the birth of their daughter Harper Eliza
 - Hollis McGuire fell during agility class and broke one wrist and sprained the other
 - Kathy Bishop's sister passed away
- **Event Updates:**
 - September 16 – CA Sharp seminar – Linda Gray
 - Pete said it was very good and informative
 - October 12-14 – Harvest Moon Mania – Westfield, MA – Peter Kontos
 - Financials
 - Anne suggested doing a raffle to help fund prizes for all the events; needs to be equitable across all venues
 - Pete noted that previously various shows used to do sponsorships (like what is done for Nationals) and that it's been left to the show chairs on how they want to handle their events
 - Jean suggested Anne develop a proposal and bring it to the membership
 - Stress of running in multiple venues
 - Carol said it was discouraging doing MVA at HMM and if ASCNE truly wanted to support MVA then the club should be more accommodating to hold classes or to allow run order changes to be more flexible
 - Jean noted the issue is the same for any handler who has entered their dog in multiple events, not just MVA. She also questioned how long do you hold a class, how many times do you hold a class for conflicts, is there enough daylight to be holding classes?
 - Pete stated MVA is rigorous, regardless of whether it's done at a local trial or at Nationals. However, it is the exhibitor making the decision on number of dogs to enter, the number of venues to enter, and the number of runs to enter. As such, they should be prepared to deal with the conflicts.
 - Agility can be pretty flexible for changing run order – if gate steward doesn't accommodate, then escalate to the venue chair then and not after the event. Stock run order changes have been restricted to moving to the end of the run order as some exhibitors were manipulative about where in the order they'd put themselves based on the stock.
 - Walkie talkies were suggested as a way to inform exhibitors they were needed in other venues.
 - November 10&11 – Cranberry Classic – Seekonk, MA
 - Robin said there were lots of entries for obedience (20) and rally (18)

 - Need to load all the email addresses initially and then ongoing maintenance
 - Put the newsletter on the website

 - Does the club care about not restricting access to the newsletter?
 - If the newsletter does go into a public area on the website, need to insure personal information doesn't get included – i.e., the membership list with addresses and phone numbers is included in the last newsletter of the year – if the newsletter is going to be on the website in a public area, the membership list should not be included

- **Membership Renewals**

- ASCNE membership renewals are due by the end of the year

This is a thank you note from Terri Altergott after her HMM judging assignment.

Dear Ascne,

Thank you so much for having out to judge for you last week. It was a beautiful entry and as always Peter and crew put on an amazing show. To think that HMM will be 20 years old next year, is mind boggling. The fact that the 1st HMM was that many years ago - even more so. Time sure flies. Thanks again for inviting me to judge for the best Aussie Club ever.

Terri Altergott

2. Using only individuals who are free from serious hereditary or congenital defects. Screening breeding stock for hip dysplasia and ocular deformities.
3. Maintain the best possible standards of health for my animals through regular veterinary care and sanitary housing.
4. As a stud owner, I will refuse any mating which I do not consider in the best interest of the breed. I will screen the healthy, mature bitches sent to me, for hereditary defects and temperament faults.

7. I will be discriminating in the sale of my puppies, keeping in mind the Australian Shepherd herding temperament and guardian instinct. I will provide buyers with information about the breed, pedigree, health records, application for registration, and spay/neuter contracts for pet quality puppies. I will monitor and enforce such contracts.
8. I agree to take back any of my dogs that are in need of a new home or to assist in placement of that dog.
9. Protect the interest of the Australian Shepherd Breed, conducting myself in a courteous and professional manner in all my dealings.
