Volume 26 Issue 1

PRESIDENT'S MESSAGE:

I am honored that you have entrusted me and the new board to run your club. In addition to the day to day business and running of events, we have some specific goals we want to accomplish in the next 2 years including:

- Finalizing by-law changes
- Web site upgrade
- Member survey for improvements needed in each program
- Plan and execution of highest priority improvements

The present board members bring a diverse wealth of knowledge and experience and I am excited to work with them to continue the work of the previous board building our club. Volunteer organizations often struggle to prosper. This is your club and we will need everyone's help to move forward. Please feel free to contact myself or any of the board members with any suggestions or concerns.

I hope to see you all at the ROM banquet on March 1st!

REMINDER – You all should have received a survey from ASCA concerning future National Specialty locations. Please take the time to answer this important survey. The ASCA board is actively reviewing possible new locations and it is your chance to tell them if you are happy with the present locations or want a venue closer to New England.

Thanks,
Lee Prager
President

Thank you to our past Board Members for your service. And, welcome to the new Board Members! And, thank you, as always, to everyone who has volunteered in some way in service to ASCNE!

Please send news, brags, updates, announcements about upcoming events; and event results to me at ariane.m.bailey@gmail.com. I'm especially grateful for photographs to be included with the above (please tell me who is in the photo).

Thank you to everyone who took the time to submit something for this issue! I truly appreciate it!

ROM BOWL CALL:

It is time for everyone who has earned new titles throughout the year to provide that info to receive your engraved bowl at the ROM banquet in March. I will need your dog's registered name with their ASCA titles only (no AKC) by February 5, 2020.

Please submit your dog's registered name and titles as you want to see them on the bowl. You need to proof the info you send me and make sure you have submitted titles correctly. If you received a Trial Champion title, you would not send me all the titles earned in the year because the Trial Champion title would replace them. The same would apply if you earned a novice title and titles after that, you would only give me the latest title that replaces any earlier titles. After I have compiled the list, I will send it out for all of you to give one more quick glance to make sure the info is correct.

The club has asked that agility competitors that received a bowl last year wait a year before requesting another bowl except for a new ATCH title.

Congratulations to everyone on your new titles!!!!!!!!!!!!!! My e-mail to send your title info is:

CANINE NUTRITION PRESENTATION:

Saturday April 11, 2020 at Good Mojo University in Milford NH

Time 11am-1pm which will include the presentation and time for questions regarding canine nutrition.

The speaker will be Deborah Linder, DVM, from Tufts Veterinary Nutrition Center and the event is being sponsored by ASCNE. Admission will be free of charge to current ASCNE members and a fee will be charged for non-members.

A flyer will be developed and available on the ASCNE website and social media avenues in the near future and it will be circulated to other breed clubs, veterinary offices and training facilities to help provide information to the canine owning public on appropriate nutrition for dogs.

The speaker is open to and welcoming questions from ASCNE members interested in attending to help direct her presentation, so if you have any, please forward them to Matt Mason at masonpr@tds.net and they will be forwarded to Dr. Linder.

There will be limited seating, so all attendees, including ASCNE members, will be asked to sign up in advance so that enough seats can be on hand as it is likely to be well attended. Sign up information will be on the flyer.

The facility at Good Mojo University has been reserved from 10-2 on that date to allow for set up and clean up. If anyone is interested in assisting that day, please contact Matt Mason.
